Due to COVID -19 pandemic, it was not possible for us to come together. Most of the professional activities and gatherings were carried out on virtual platform during this period. Now the time has come for all of us to come together.

Conferences are vital forum for Nursing Leaders, Nursing Faculties, Nursing Administrators, and Nurse Clinicians. It not only involves multiple presentations, interactive sessions but also is an opportunity to unveil your talent and expand your network of peers, colleagues, mentors and friends.

We have invited some of the best speakers, experts in the Nursing Field to share their thoughts and ideas with all our conference delegates. We are expecting Nurses from all over Maharashtra State and it will be a fine blend of professional enrichment which will be facilitated through Scientific paper presentations, poster presentations, panel discussions, quiz and elocution competitions The
