REPORT OF SYMPOSIUM CONDUCTED ON WORLD HEALTH DAY

Introduction

World Health Day is a global health awareness day celebrated every year on 07 April, under the sponsorship of the World Health Organization (WHO), as well as other related organizations.

In 1948, the WHO held the First World Health Assembly. The Assembly decided to celebrate 07 April of each year, w.e.f 1950, as the World Health Day. The World Health Day is held to mark WHO's founding and is seen as an opportunity by the organization to draw worldwide attention to a subject of major importance to [global health](#) each year. The WHO organizes international, regional and local events on the Day related to a particular theme. World Health Day is acknowledged by various governments and non-governmental organizations with interests in [public health](#) issues, who also organize activities and highlight their support in media reports, such as the [Global Health Council](#).

This year the theme was “**Health For All – Every One Every Where**”. A symposium was organized at College of Nursing on 06 April 2023 in view of the above

Date-06 April 2023

Venue-Saraswathi Hall, CON AFMC

Audience-Faculty, Trainee Officers, Student of all batches

Moderator-Lt Col Soniya Saklani

SN	Speaker	Topic
1	Maj G Naagamani	Public Health: achievements & Quality of life
2	Capt Renu Sharma	SDG-3:Good health and well being
3	Maj Meenu Mary George	Public health challenges: Today and Tomorrow

Conclusion

The symposium was very organized and the students were benefited. “**Health for all: Everyone Everywhere**”, the theme was deeply imprinted in the minds of the students.

As budding health care professionals, they understood the importance challenges in their path and understood how to overcome it.
